EBSCO SUPPORT Print Close

EBSCOhost Research Databases

EBSCOhost is a powerful online reference system accessible via the Internet. It offers a variety of proprietary full text databases and popular databases from leading information providers.

The comprehensive databases range from general reference collections to specially designed, subject-specific databases for public, academic, medical, corporate and school libraries.

EBSCO Support Site

EBSCO's Support Site is available 24 hours a day, 7 days a week. Our FAQ database, tutorials, and user guides can provide answers to your technical questions. EBSCO Customer Support Representatives are available Monday through Friday from 4 a.m. to 8 p.m. (EST) and Saturday and Sunday from 9 a.m. to 5 p.m. (EST).

How to Use Help

- When the Help icon appears, you can click the icon and help for the screen you are on will display.
- To obtain help for the database(s) you are searching, click the Help icon to the right of the database name or databases drop-down list.
- To view the entire Help System, click the Help link at the top right-hand corner of the screen.

4. **Indomethacin--its rightful place in treatment.**
